2014 Top 100 wines

"Arnaud Weyrich's work at Philo-based Roederer keeps getting better, with the latest wines more dialed-in than ever, doing credit to parent company Champagne Louis Roederer. A finessed, intensely mineral mix of Chardonnay and Pinot Noir offers up woodruff, pecan, croissant crust and a ripe dose of fruit - citron, cherry, pomegranate - that actually tightens up on the palate in a welcome way. Disgorged January 2014."
