Roederer Estate  
Brut Multi Vintage

## 3 Stars

"Roederer is one of California's several French-owned sparkling wine producers. Jean-Claude Rouzaud, owner of Roederer's parent "house" - Louis Roederer - established his Anderson Valley vineyards in 1983. Though this is Roederer's workhorse wine, it is perfect to trot out for company. The wine's subtle nose opens with gentle mineral, brioche toast and citrus hints then moves to bigger aromas and flavors that are fresh, layered and brimming with mineral and ripe white grapefruit acidity."
