Roederer Estate
Brut Multi Vintage

"Made with estate-grown grapes, this is a crisp, medium-bodied sparkler with a nice core of apple-pear flavors. 'It's rich and complex without being yeasty,' Mr. Pinnell said. 'The finish is so refreshing — it leads you on to another sip or to another bite of food,' Mr. Howald said. 'This is what I hope they serve when I go to a New Year's party,' Ms. Frances said. She added that the sparkler would make a great pairing for sole meunière meunière at a New Year's Eve dinner party."
