Roederer Estate Brut Multi Vintage

## **CRITIC'S CHOICE**

"This is my go-to bubbly, made by one of my favorite—and one of California's most consistent—sparkling wine producers. More and more I've been gravitating to sparkling wine, taking full advantage of its food-friendly nature and celebratory vibe. I've grabbed this wine as a hostess gift, served it when friends came over for brunch, and popped it open simply to enjoy with popcorn and a movie on the couch."
